

What is **Club Live?**

Club Live is a part of **Friday Night Live**, a statewide **drug and alcohol prevention** program for **youth**.

(For more info, check out www.fridaynightlive.org)

Club Live is open to all students, grades 6-8.

Our focus is on drug and alcohol education (including looking at advertising), peer pressure, self-esteem and social skills.

These topics are taught mostly through **teambuilding and game-playing**, with occasional **guest speakers** and **big events** that coordinate with other schools. Club Live is a great way to meet friends, and it's a lot of **fun!**

(Plus – there are snacks!)

For more information about this program, or other youth prevention programs in Tuolumne County, please contact:
