

ATCAA Early/Head Start Site Supervisor

Every child deserves a champion – an adult who will never give up on them, who understands the power of connection, and insists that they become the best that they can possibly be. Rita Pierson

Are you looking for a job where every day you help children be the best they can be? Do you want to work for an agency that believes in supporting staff to reach their full potential? ***If so, ATCAA Head Start could be the right place for you!***

ATCAA Head Start is a federally funded program for low-income families with children aged 3-5. In operation since 1984, ATCAA Head Start is a comprehensive early childhood education program that enhances a child's cognitive, physical and social-emotional growth and development. Our program fosters family engagement in all areas of a child's development and provides comprehensive resources to families in the areas of health, nutrition and community resources.

The Site Supervisor supervises the center based team and is part of the teaching ratio. Site Supervisors oversee a site that may include infant/toddler Early Head Start and/or Head Start preschool. The Site Supervisor works with the center team to: Provide educational programs for children according to Early/Head Start Standards; Provide school readiness activities for families; Conduct staff and parent meeting/trainings; and ensure that the center(s) is (are) compliant with California Community Licensing and all Head Start health and safety standards.
