VISION STATEMENT

The Coalition adopted a Mission Statement in 2021. It is at the top of each agenda.

Supporting Amador County youth and their families, to reduce and prevent youth substance use; Utilizing a whole community approach for changing environments; Implementing local solutions for local conditions, towards substance free childhoods.

During our May meeting, we worked on ideas for a SSAY Coalition, *Vision Statement*. Below are suggestions for us to vote on:

- 1) Our vision is to foster a healthy, substance-free, and inclusive environment for all residents of Amador County.
- 2) Amador County envisions a future where youth, families, and the entire community thrive in a safe, healthy, and substance-free environment.
- 3) Creating a brighter future for Amador County: A safe, substance-free, and family-friendly community where everyone is valued and supported.
- 4) Amador County will be a place where our youth can grow up healthy, substance-free, and supported by a caring community.
